IMPORTANT DATES!

EAA 919 Fall Color PPC Fly-In
(Rushford MN) Oct. 15th & 16th

This will be an interesting meeting! Beginning at 5:30 PM on Sept. 17th, I will be hosting a "Hanger Warming Party"! Hot-Dogs and Pop will be available for free! Come on and see one of the nicest hangers at the Winona MN (ONA) Airport! (No gifts please!). Just come to the "T" Hangers located at the SE corner of the airport and look for hanger #8. Walk, drive, or fly in for the event!

Then at 7:00 PM the EAA Chapter 919 meeting will begin. Topics of discussion will include a recap of the first two Fly-Ins of 2004 as well as information on the upcoming Fall Color Powered Parachute Fly-In.

So come on over for an evening filled with fun and camaraderie!

See you then!
