Chapter Meeting Notice: The May 2005 EAA 919 Chapter meeting (AND **POT-LUCK!**) will be held at Al and Patty Berg's hanger at the Winona Airport (bring a spare lawn-chair). Why not fly in! Several of us might show up early and just do patterns around the field too. So...3:00 PM, Saturday, May 21st. Hope to see you there! **Pot-Luck** at 5:00 PM too! **Here is an idea...BRING A FRIEND TOO. Lets promote Chapter 919 and grow our membership!**

Meeting Programs:

Mike Thern will be talking about "Tying Down Your Aircraft". If you are parking your aircraft outside you won't want to miss this! After that, Steve Buswell will be talking about the Winona MN Airport Fly-In. So come on and join the group! See you then!

Money saving idea:

Every month it costs Chapter 919 about \$15.00 for postage alone to mail out this newsletter. Well, several members have email. With email we are able to send this newsletter to you electronically, without the postage charge!

A test was conducted about 2 weeks ago where I sent a past newsletter to various members. All persons that received this sample test thought that the newsletter came across clear and effectively. So I am asking that members please choose how they want to receive this monthly publication. Give it some thought, and we'll talk about it at the May meeting!
