The Rushford Days Fly-In was a HUGE success!

With almost perfect weather, pilots from around the tri-state area enjoyed a great pancake breakfast hosted by EAA 919 at the Rushford MN airport (55Y) in July. The chef's and crew really outdid themselves!

Thanks everyone for the grounds prep. The cooking, serving, marshalling etc. The entire EAA 919 Team really did a wonderful job with close to 50 planes attending!

THE BUSINESS PAGE

Minutes of the last meeting...

Due to a lack of quorum, no meeting was held.

Be sure to attend the next meeting, Friday night, 7:00 PM on Aug 20th at the Rushford MN (55Y) airport!

A reminder!

Just a reminder of the annual "Hot-Dog Social" held in conjunction with the EAA 919 monthly meeting in September (Sept. 17th). Hot-Dogs from Ledebuhrs Meats are provided by Russ and Helen Marsolek (with buns). And the meeting will be held at Hangar 8 in Winona MN (ONA airport).

Please help by bringing a dish to pass if possible, plus a chair to sit on!

See you all then!

ATTENTION EAA 919 MEMBERS!

Pilots and planes (and ground crew!) are needed for the upcoming EAA 919 Young Eagles event scheduled for Saturday morning, Aug. 14th at Rushford MN (55Y) airport.

EAA 919 is providing this event for the 4-H group out of Rushford MN.

Meeting time will be 7:45 AM on Saturday the 14th of Aug. Please contact Russ Marsolek at 507-452-6888 if you are able to assist, and in what role.

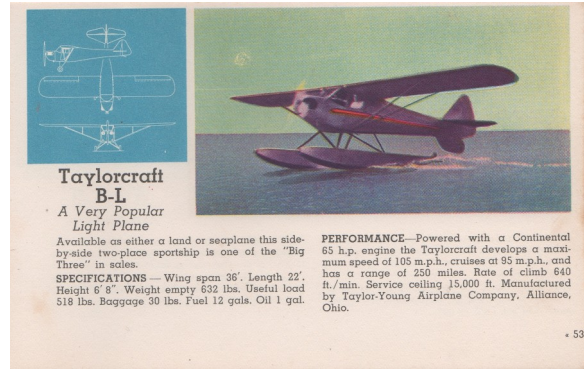

Please help! We really want to give these Young Eagles a lasting memory!

The next EAA 919 meeting is Aug. 20th, 2010 at 55Y Airport, starting at 7:00 PM sharp. Lots of items to cover for upcoming events (as well as closing report for the past Rushford Days Fly-In).

Please plan to attend if at all possible.

Thanks!

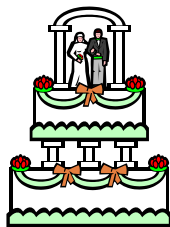

A pleasant distraction!

While working in my hangar last month I was alerted by the beautiful **"ROAR"** of these four beautiful war-birds as they did a '180' over the airport while in route for the Winona Steamboat Days parade. All I know is that they were from somewhere up north. Absolutely stunning!

EAA 919 gains another Member automatically!

Congratulations are in store for EAA 919 member Dan Bass who recently married Deanna Dienger while sailing on Lake Superior. Way to go you two!

They should have taken a honeymoon at Oshkosh!

And speaking of Dan Bass....

Dan recently had the opportunity to fly a Romanian War-Bird into AirVenture! But what a trip for him! First he fly his plane to Cedar rapids IA where he then connected on a commercial flight to Texas. Then in the war-bird, from Texas to Oshkosh (with one intermediate stop).

And once Oshkosh was over he flew it direct to Rushford MN (55Y) for fuel, and to Winona MN for a good nights sleep (home!).

The next day it is a trip from Winona back to Texas where he'll then catch another commercial flight back to Cedar Rapids, grabbing his plane and finally landing it in Winona. Welcome back Dan!

What a bunch of flight time!
