FAA PRIVATE PILOT QUESTION OF THE MONTH....

VFR approaches to land at night should be accomplished:

A> The same as during daytime.

B> With a steeper descent.

C> At a higher airspeed.

EAA Chapter 919
Minutes of the Meeting
June 18, 2010

The meeting was held at Al and Patti Berg's hangar in Winona.

Meeting was called to order by President Marsolek at 7:05 PM.

The Minutes of the May meeting were approved as posted.

Treasurer Helen Marsolek reported the balance on hand was \$2926.67s and her report was approved.

Old Business:

The Fly-In will be held July 17 from 8 to 12 at the Rushford Airport during Rushford Days. After a bit of discussion, the menu will be: Pancakes, Sausage Links, Scrambled eggs, OJ, Milk, and Coffee.

Allen, Max, Helen, and Lori will handle the food; Lowell will marshal aircraft; Russ on the radio; Bill Davidson (Backup); Russ will take care of advertising.

Cleanup prior to the event will be Thursday, July 15.

New Business:

Russ reported that Britt Emmons, daughter of Tim and Jenny Emmons will attend the Women Soar EAA program in July. The Chapter has budgeted for two more women to attend. Several who had expressed an interest will not be able to attend.

Walt reported that the Chapter did not appear to have a valid Employer Identification Number as required by EAA and the IRS and has since obtained the number and will check, along with Tom Lee, on Tax-Exempt status with the IRS.

Meeting adjourned at 8:05 PM.

Other discussions:

Lowell reported on an adventure of flying an Aviat Husky and an RV8 from Anchorage, Alaska 3300 miles back to Minnesota.

Plans are being made for Oshkosh. Plan on sharing itineraries at the July meeting.

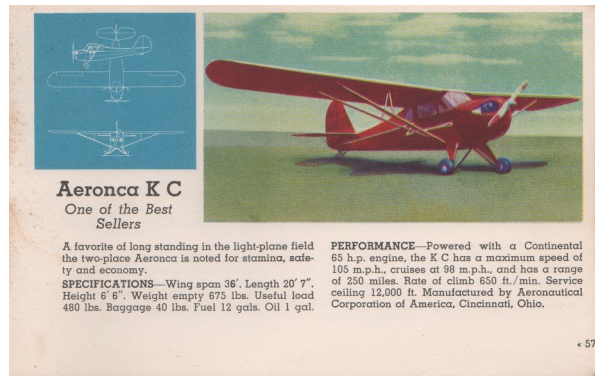

Calendar:

- July 16 – Meeting at Winona Airport (ONA)
- July 25-27: Women Soar, You Soar @ Oshkosh
- July 26- August 1: AirVenture

Interesting items from the Chapter By-Laws:

Article VIII. Chapter Board of Directors

1. The business and property of the Chapter shall be conducted and controlled by the Chapter Board of Directors,
 2. The Chapter Board of Directors shall consist of the following:
 - a. Class I Director: Class I Directors shall be the Chapter President, Chapter Vice President, Chapter Secretary, and Chapter Treasurer.
 - b. Class H Director: Class H Directors shall be three (3) to nine (9) additional members elected to the position of Class II Director.
- In July the President shall appoint a Nominating Committee of at least 3 chapter members, announce and publish their names. The committee shall canvas the existing Board members and membership to see who is interested and for what positions and report at the October meeting. Elections to be held at the November meeting. All newly elected Chapter Officers and Board Members shall assume their responsibilities at the December meeting, but no later than January 1.
 - The Chapter Membership Committee, consisting of about 4 or 5 members, shall keep records of membership and also look for ways to retain existing EAA and Chapter Members. Further, the Chapter Membership Committee shall look for opportunities to recruit new EAA and Chapter Members,

Denny Mills

The correct answer to the **QUESTION OF THE MONTH** is "A"

Winona MN. Weather Almanac.

July, average high temp is 85^o. Average low is 61^o.

Average precipitation in July is 4.1".

Federal Aviation
Administration

Explicit Runway Crossing Procedure Change

- **Beginning June 30, 2010**, controllers will be required to issue explicit instructions to cross or hold short of each runway that intersects a taxi route.
- **"Taxi to" will no longer be used** when issuing taxi instructions to an assigned take-off runway.
- **Instructions to cross a runway will be issued one at a time.** Instructions to cross multiple runways will not be issued.
An aircraft or vehicle must have crossed the previous runway before another runway crossing is issued.
- **This applies to any runway** including inactive or closed runways.
- **Changes will also be made to the AIM and AIP** to reflect the new procedures.
- **Never cross a hold line without *explicit* ATC instructions.**
If in doubt ASK!
- **Reminder:** You may not enter a runway *unless* you have been: instructed to cross that specific runway; cleared to take off from that runway; or instructed to position and hold on that specific runway.

Bearhawk Project - Accepting offers - Owner deceased. Built by experienced mechanic and EAA Technical Counselor who was building his ninth and tenth experimental aircraft when he died. Wings, ailerons, flaps and tanks complete. Airframe completely welded and covered. All tail feathers complete. Landing gear welded but not complete. Nothing firewall forward. Located near Winona, MN. Contact Tom Lee 507-454-5927. Posted 6-23-2010

Piper Cub replica - Accepting offers - Built from scratch using Wag-Aero plans. Had been called a Cubby, now referred to as the Sport Trainer. Build in early 80s and flown. Revmaster engine, no prop. Dirty but always stored inside. Wood wings. Broken longeron. Last flown around 1996. Should be recovered and longeron repaired. Probably also needs different engine. Owner was an EAA Technical Counselor when he died. Was working on his ninth and tenth experimental aircraft. Located near Winona, MN 55987 - Contact Tom Lee - Telephone 507-454-5927 - Posted 6-23-2010

Subaru Engine/Ross Aero Redrive/Test bed - Accepting offers - EA 81 with Ross Aero prop speed Reduction unit installed on test bed and has been run. Deceased owner was a great mechanic and EAA Technical Counselor. Located near Winona, MN. Contact Tom Lee - Telephone 507-454-5927.
