## FAA PRIVATE PILOT QUESTION OF THE MONTH....

Responsibility for collision avoidance in an alert area rests with:

- A> The controlling agency.
- B> All pilots.
- C> Air Traffic Control.

# What aircraft is this?

AR-5

**Will we get flooding at the Winona MN (ONA) Airport** this year? Click on the following link, <http://www.hbci.com/~rmarsole/photo.htm> and watch Tom Lee and his crew block up Tom's CH-701 in preparation...just in case! This time-lapse video is only about one minute long so check it out!

The correct answer to the **QUESTION OF THE MONTH** is “B”

## Winona MN. Weather Almanac.

In April, the average high temp is 58°. The average low temp is 34°. And the average precip is 2.9". Finally....springtime!

## Poker Run

Due to some “questionable weather” on April 2nd, the Poker Run was cancelled. However two members did not get the word and showed up at 55Y with their vehicles. Well...rather than to have nio event, these two decided to “cut the deck” to see who would be the un-official 2011 EAA 919 Poker Run Champ. Winning with a three of hearts was Pdon, beating out Larry who drew a two of spades.

Congratulations Pdon!

Just a reminder...

The April EAA 919 monthly meeting will be held April 15th, at 7:00 PM at the Winona MN Airport. See you all there!
